

### **SPFA SPEAKER TERMS AND CONDITIONS**

Upon acceptance of the submission by SPFA, it is agreed that the speaker will present at the SprayFoam 2025 Convention & Expo February 9-12, 2025 at the Ocean Center Daytona Beach.

#### **TERMS:**

As a speaker, I understand and agree that I shall provide a copy of my presentation, in the format indicated by SPFA, by the given deadline. I further understand, agree and consent for this presentation to be posted on the event website and available for download in .pdf format to be viewed by Convention delegates following the Convention.

I agree my presentation will be educational and informative in nature, and that my participation as a speaker or co-presenter at the SPFA Convention is not an open forum for me to make a “sales pitch” about my or any other company and/or product. I understand if I fail to adhere to these guidelines, I may not be invited to participate in any future SPFA events. I also agree to abide by the SPFA’s anti-trust guidelines in the preparation and delivery of my presentation. (for more information on guidelines visit <https://www.sprayfoam.org/antitrust-policy-and-governance/>).

I understand all speakers must register for the convention using registration information that will be provided. No other compensation or reimbursement will be expected by me or made by SPFA in connection with my participation in this Convention, unless otherwise established. I understand if I wish to attend the pre-Convention workshops or the Certification programs, an additional fee may apply.

I agree that SPFA may use my name, likeness, and presentation materials to publicize and promote my presentation and SprayFoam 2025 and that my presentation may be posted on the event website without compensation to me.

#### **In addition, I consent to the following:**

I hereby represent and warrant that the materials used in my presentation are original and are my own work product. I grant the Spray Polyurethane Foam Alliance (SPFA) the nonexclusive right to reproduce the presentation materials and viewgraphs on the SPFA website following the Convention. The author otherwise retains all copyrights and publication rights to the presentation materials.

I understand and agree that the SPFA cannot and does not endorse my presentation or materials, and that the ideas and opinions expressed in the presentation and materials are my

own, and not those of the SPFA or its co-sponsors.

If the presentation and materials were prepared jointly with others, only one submission and agreement is required, but I acknowledge and agree that I have secured written consent from all participating authors to the inclusion of their work product in the presentation and to the terms and conditions of this Agreement. I warrant that no other participating author has any expectation of compensation from me or SPFA for the inclusion of their content in the presentation. I further warrant that I shall indemnify, defend and hold harmless SPFA, its officers, directors, employees and volunteers from any and all third party claims, actions, causes of action, losses, damages, injuries or damages to persons or property, costs and expenses, including reasonable attorneys' fees arising out of or related to the content of my presentation, including any claim that such content infringes upon the intellectual property rights of a third party, or that the same is defamatory in nature. This duty of indemnification will survive the termination or expiration of this Agreement.
